## Environmental General Policy Statement of the LFF Group

The LFF Group is committed to the protection of the environment and prevention of pollution, the minimisation of the impact of its activities on the environment and meeting or exceeding all relevant environmental compliance obligations and other requirements to which we subscribe (including those of trade organisations and customers).

We are committed to continual improvement of the environmental management system in order to enhance our environmental performance by:

- Maintaining zero environmental incidents.
- Setting environmental objectives and planning to achieve them - a reduction in gas and electricity usage.
- Monitoring progress towards achievement of objectives and keeping documented information.
- Communicating our policy internally and to all persons working on behalf of the company including contractors.

Our Environmental Policy is available to interested parties upon request.

Our policy will be reviewed annually or in response to a material change to our management system.
